LOUISVILLE. FRIDAY, DEC. 17, 1858. the Democracy are carrying out what they call the Morroe doctrine" in Central America. We have an unimpeded and ancontrolled access to our Pacific unimpeded and uncontrolled access to our Pacific wassessions, and partizan ingenuity has been tor- Wright, Martin Van Buren, William Leggett, Preared to devine means to occupy the lathmean Ter-tiory by fillibratering expeditions, or even to invoke the "Freesoil" party were in full communion. the aid of the general government in the support of the enterprise. We have run wild after the impracticable, and lost the substance by grasping at shadows. Let us post the books and see what we have gaired, and the result will prove—nothing. We are in a worse condition to-day than we were We are in a worse condition to-day than we wer years ago. We have forgotten that nature intended the 1sthmus for a common international highway. and that the great powers of Enrope bave equal interests with ourselves to keep it spen. We might at any time have had co operation which would have unade Central America a pesceful sovereignty, where the rights of travelers would be protected but this did not sui-the against The Democracy bave agitated and agitated, and, losing sight of the important fact that we should simply sim to keep to close " on the inter-oceans, highway, have striven to possess themselves of the soil, instead of being satisfied with privileges common to all the world. How do affairs now stated under the practic

policy of Mr. Buchanan? Are we any nearer to the possession of the 1-thmus than wa were, or are the facilities of travel as un impeded now as forme San Juan and the port of Realejo bristle with Furo pean gun", the selid evidences of alliance with Ni-caragua, and a scoreful repudiation of the Montocaragua, and a score of the lemocracy. The transit over the Nicaragoa route is impeded, and, of public sentiment in Soyder county may add transit over the Nearegon network in the taken as an index to that of the State; and that message, it will precably end in take. A British Minister, Gire Duseley, has been feted and careased will ratify it! We heath free and deeper significant transitions of the state of the State; and that it is the message, but the message, but the message is the message in the state of the state of the State; and that it is the message, it will practify it. Minister, Gore Duseley, has been feted and careased will ratify it. We health freer and deeper by the President, and then sent to the Isthmus to Middleburg, Soyder county, Penn, has spoker ake advantage of our supineness and secure the may be a little deaf, but old B 1ks spoke low advantages we might have possessed. A few years ago Nicaragua was most friendly inclined to us; we repaid confidence by betrayal, and now our us; we repaid confidence by betrayal, and now our us; we repaid confidence by betrayal, and now our this are refused the privilege of passing over its territory to resembark on the Pacific coast. Britishing the appeared a very verifint species. th cramers have stopped an American steamer, and ts passengers cannot proceed on their journey withe Stars and Stripes are no where in this most de | the head, exclaimed

as, and has been enruest in ber efforts to conciliu ut gave its tacit assent to his movement by not and spectators included in a hearty lungh it afterward professed to second is movement, but when brought to the test repudi ated it. Its vascillation is still the same. It issues proclamations which are not regarded, and it always leaves come loop bule by which the fillibusters n evade our laws. Its mode of carrying out the Monroe dectrine shows its general absurdity and to work the reclaimed land. This dread of a Exposes the real truths which should be made patent o every American, and these are, that Nicaragna hould be allowed by allowed by the state of the French, and other salijects under its own laws, and prived us of all the vantage ground we once pus- Democratic party, which rejoices in bout to place, herself under the protection of those with the new secret order. who are willing to do what we have been talking ffectually rid-fled that it is like the open cisterns of the Bitle that hold no water. Cannot Mr. Buchau an manage to remody the past and take advantage of the future? Let him faithfully execute the policy lle will find the more beneficial to the country than taking a partisan attitude for any rival transit com- now chooses his scat next to Galusha tirow, the pany, and it will most arangedly lead more immedi-

words as extremely slight. ament decrement for us to peruss, who have to ead the inte minable "accompanying documents what their servants are doing. It is not light rendnessure of supplying the deficit, except by increasing abreda which he horrowed from the Black Rep. therate of duties on certain articles, which will not picane. weld two millions additions. He has run the country in debt forty odd millions, but that is a triff- for which he makes no provision, and seems to consider it a living legacy of Democracy to the country. lation in the St. Louis Democrat, which we have stock, called at the company's office, for his pay, not varied, but presume is correct, will be as follows:

and he would take "a yoke of steers and a came and he would take "a yoke of steers and he yoke of steers and he would take "a yoke of steers and he yok

simply ask the people are they prepured for | was a bloodless Slanghur. thir? Ate they prepared to incar such enormous expenditures, while the Treasury Depurtment denies of Pierce and Buchana? We are heels over head in dobt. Mr. Colds proposes to go deeper in to carry out an abstract idea of free-trade, when by adapting the policy of protection we can extricate ourselves before Bachanan retires forever to private life. Which course do reason, common sense, and American industry prefer?

bia transfer. One saye to the Hagne in place of instead another to Burlin as eucosa-profile. cor to Lord Bloomfield, who, having been forty years in diplomatic service, desires private life and the re-turing pension of £1,300 per annum. As the London Morning Herald, the organ of Lord Derby, names Berlin, we presume that is the Nupier direction of travel with an exchange of 4.4 500 per annum for £5,000. His successor -now Lord Lyone, his father turning died on the 23d uit -has had but little diplomatic experience, having been attache at Athene short time and then at Florence, and the latter place Minister for some months. Should be arrived here—which is received doubtful by his accession to the title—it will be interesting to know that he is unmarried, has large estates in England and Anti-gua, that one of his sisters is lluchees of Norfolk, and that he is of American descent, his great grand. general voice: father having been a Philadelphian, who removed to Antigna, where the father of the first Lord Lyons was born. Such are the antecedents of Richard Pemell Bi kerton Lyons, who non takes the title of Baron Lyons of Christ church, and will cocupy the

tal revenue collected in the United States during the last fiscal year, \$200,031 was from Kentucky, an increase of \$40,000 from 1857. There a ween an increase in all the States and Territories North Carolina, Alabama, Mississippl, Louisiana, California, New Mexico, and Utab. The greatest increase was in ladium from \$308,628 in 1857 to 631,234 in 1858, and in Minnesota from \$59,468 to \$115,004. Utah fell off more than 50 per cent., and California and New Mexico about 30 per cent. The total revenue for 1857 was \$9,884,942 against \$10,-798,963 for 1858, being an incrase of \$913,121.

The New Orleans Delta accuses Hiram Pow ors, the sculptor, of being a "violent Abolitionist."

The worst we aver heard of him was that he chisaelled a Greek Slave out of a block of marble, and afterwards sold her and several like her at the very highest market prices. His slaves all came from the duchy of "Massa" at Carars—a singular coincidence in the etwentique of the etwelver of the consideration. cidence in the etymology of the received Am

The Humboldt (Cal.) Times states that is addition to nine thousand mips killed at four abo.a by a citizen of Unios, the air was full of fulling birds for several days—not to speak of the great number of cripples hobbling about the ground. These are the greatest shots on record since Baron Muschau-sen's sporting era!

carOo Saturday no less than I wenty newly mar-ried couples sailed from New York for Europe in the steamer Atago. The vessel's name should be rat, where the ark rested with its freight of living things in pairs.

tercy of the Virginia Demanticy, by showing that, in 1851, they selemuly unfirmed that George W. Summers—himself a large slaveholder, and Iron a large slaveholding community—was unaorthy of runst, simply because, when a very young man, in 1832, he had, in company with Eitchie, Rardolph, Fankker, McDowell, and a host of other II in-

tention of the State Department, and the necessar cach.

Fanlkner, McDowell, and a bost of other II notate and the necessary advocated prospective emancipation, but that now, in 1858, fsl-ifying all their former declarations, in convention assembled, they solvently affirm that, and the public men of Virginia, John Letcher in the most saltable to be placed at the belief of all the public men of Virginia, John Letcher in the most saltable to be placed at the belief of S. atc. in this critical crisis of the slavery question, and training, this too with the full knowledge, that in 1847, Mr.

Letcher, then a man of mature age and experience, and the necessary that the matter. The Spanish Minister washington disclaims all knowledge of the mai and is understood to have addressed his Governs upon the subject.

The Unit Wash in Mexica.—Among the passages by the Quaker City at New Orleans. The Col. M. is direct from the seat of wur on the of Orders for Job Work received at this endarsed the speech of Mr. Ruffaer, which looked not to prospective but to immediate emancipation the slavas of Western Virginia!

Col. M. is direct from the seat of wur on the other side, and has written out the following interesting nt for the Picavuce: ecount for the Picayune:

In the 24th thetobar the city of Quadalajara was
ideally storm by the Liberal forces under Gen,
tegedfado. Minister of War of the Constitutional
overnment. Gen. Bluncarte, who commanded the
arrisan, and his officers and some men, retreated
of two thirdness in the submitte, bull itically surreuered, on the 27th, on the guranties of their lives
using spirred, provided they took oath not to take in
Constitutional Constitutional Consequence. Cuts This position of the Virginia Democracy is ins tive, and shows that the slavery question is always used by them for political effect in endesvoring to

for of bergan lo Po and dependencies, off the ceus

Africa, went there in a man of-wur, and declu-ie religion of Spain the only religion of the isla-

And so far as we can parceive both are likely to be very transitory. The editor's own followers reem to have little faith and ro lame teft in him or his figures, since is despite of all his efforts in despite of all his dispatches that little, bowever, to learn that the "effect" and the has weekly assaults prices and decline much nor keep down long. His own domain was again expressed as weekly assaults prices and believe that was again expressed with "large sales of pork for future that the bound of the following sales of pork for future that the bound of the following sales of pork for future that the bound of the following sales of pork for future that the bound of the following sales of pork for future that the bound of the bound of the following sales of pork for future that the bound of the bound

dalivery" and any anumber of nexecuted or dors for immediate delivery.

How are we to account for all this? Is it possible. that a facit understanling exists that while 'Smith' "hammers," "Brown" shall hay? Is it possible that a Price Current "that has readers who rely arena as a "partison of the beam" and with its "reports," and "softimete;" and "opinions" no longer
endeavors to "quote," but to "maile" the mankel?
But, says the editor, "if the "bulls" have confidunce in their throny why should they object to our
course in hammering the market since it enables
S. Mail.

The timinant mail hout starts at 12 o'clock. them to buy cheap and put money in their pecket-?"

Now there are two answers to this. Has is, that there may be men who do not wish to make money by 'erroneous' or 'false' 'inports,' 'restimates,' 'dec; and the other, that if they d d all the efforts of the Price Current have not resulted in any eclina to be grateful fire.' If he is never more succeasful than he has y at been in depressing the markets, he will not descend to posterity crowned with language.

corrected by the exact figures at the close of the Wir. Hillfinger's Concert last evering was ex

actly what it ought to have been, a great complement to our worthy fellow citizen and "sweet singer." The programme was selected with taste ex capt that Verdi ir dominated too much to the axclusion of Ballini, Beathover, Auber, and other so preer, but it was admirably sung throughout. eff c', the Brothers Zoller in their duents on the piano and tha violin and piano were as usual excelent. Mr. Del'nger's Hunting Song by Luchner, with horn obligate by his brother, was effectively real-ered. Mis. Bertha Caliere amg an aria from Verdu's Trovatore with exquile sweetness, and Mosas. Colliere gave the King's ecksbrated cavative, which S. Robigson is eminently qualified to illest and long an Werdt's Trovatore with exqui le sweetness, and Mona. Collière gave the King's celebrated cavatit a "Vien Loosonora a piedi" with a correct manical intonation and dramatic offict, which could hardly have been hightened on the lyric stage. A trio from Verdi's Atilla was sung by Miss Scheillar and Mosses. Dolfinger and Collier with precious, ex-eyt the lady was a little sharp, but she nobly role net berself in the "Non fu Signo" from J. Loushard.

Non for the little and provides the little and provides the ladiana through the lady was a little sharp, but she nobly role net leave, on Wednesday, passed the hill provides the little of Indiana were archibited. Mosser. Delinger and Collier with precising, except the lady was a listle sharp, but she nobly red an ellouse, ou Wednesday, passed the hill providing the locate berself I the "Non fu Signo" from J. Leastard, which gave full scope to her veloc and faithfull reside ber method. Mozart—glorious old meastonada a place on the programme, and floors, Colliers with his daughter, sang the "La ci darem" from Long Giovanni in a most creditable and appreciative memor. The quistest from Rigoletts is not anited to the convert room, as it needs the aids of damatic position to make it effective, but it was sang with all possible grace by the Mesus. Colliers of the Colliers and Scheid-I and Messers. Delfinger and Collier.

Sexatomia. Election But. — The ludiana House, ou Wednesday, passed the hill providing that he can be all those distressing symptoms into providing the cut hand all those distressing symptoms in the programme, except on the manner or electing limited Science, ou Wednesday, passed the hill providing the cut hand loose, ou Wednesday, passed the hill providing the cut hand loose, ou Wednesday, passed the hill providing the cut hand loose, out wednesday, passed the hill providing the cut hand loose, out wednesday, passed the hill providing the cut hand loose, out wednesday, passed the hill providing the cut hand loose, out wednesday, passed the hill providing the cut hand loose, out wednesday, passed the hill providing the cut hand loose, out wednesday, passed the hill providing the cut hand loose, out wednesday, passed the hill providing the cut hand loose, out the loose distressing sufferent the cutter. The Journal of Commerce comments in the Cancemi case, which has just ferminated in the nviction of the accused of manulaughtet:

conviction of the accused of manilaughtet:

This is certainly one of the unsal extraordina crimical cases which has ever occurred in a Courts. The prisoner has had four separate this Da the first, the jury failed to agree. This has noted by the Court of Appeals on several grounds of the pricing of which was, that the Judge at the lift and Terminer erred to charging the jury that the dence of general good character is not admissible cases of felony. The second verbut was also cases of felony. The second verbut was also made by the Court of Appeals on the principle of the accused cannot be tri d by less than twelve juries, even in accordance with bis own wishes a the written stipulation of his coursel.

In reference to the verdict rendsted last evenit it is plain that under any theory of the raise, Itani

In reference to the verdict rendered list evening it is plain that under any theory of the case, Union mi was not guilty of manulaughter, and that he crine, if he committed saw, was unurder and punishable with iteath. How the jury could recurring with their consolerces, he call the killing of a pliceman engaged in arresting the measured for Folomana laughter than the case of the following the consolerces.

WASHINGTON, HEC IA, F. M.
The Illinois nominations, without an exception, were confirmed by the Senals to day. This is no nificant. The appointments throughout were anti-boughas, made, in most cases, for the special nurpose of chantising the rebellious Senator. Yet, while a single of-jetion would have deleted the matter, rotoue was made. Doughas has thus been repudiated by all sides.

The treaties with Japan and China have been ratified.

ratified. VIRITAS

In nome to Amerya, not a Shavia, — We learn
from pretty good antibority, that a vessel based has
seconded in evaluing the vigitance of our craiser,
and landing a cargo of Lawes upon the soil of the
United States. The vg-sol, we learn, is, the schooner Wanderer, which, our informant states, arrived
